Captain,

Just wanted you to be aware that the farmers market operator negotiated with the 2nd operator and they are going to shut down 5th, both blocks every Sunday. I think last we discussed it was only going to be the 1st Sunday but the City agreed to every Sunday.

I think this will be much easier in terms of notification of Metro and the surrounding community. Per our agreement, if this extension becomes an issue, we will reassess.

Thank you,
